

Verification of learnings shared and feedback method

High Value Learning

To ensure this learning leads to meaningful improvement, follow the **Plan Do Check Act** process and **provide your feedback** to **Step Change in Safety**.

Plan

Review the learning and assess how it applies to your organisation, work area or tasks.

Identify any risks, gaps, or required changes to current procedures.

Do

Implement necessary actions - communicate changes, update procedures, and ensure everyone affected understands their responsibility.

Check

Monitor the effectiveness of the changes. Observe work practices, gather feedback, and verify that the learnings have been understood and applied correctly.

Act

Make any needed adjustments based on what you've learned.

Share lessons with your team, document improvements and feedback to Step Change in Safety.

Share your learnings and feedback via the [Resource Feedback form](#).

Your proactive engagement helps create a safer workplace for everyone.
